- To-day the parties have arrived at a compromise and their statements have been recorded.

Issue No. 1.
5. With respect to issue No. 1 which is regarding the jurisdiction of this court I have heard both the parties. A reference in this regard has been made by the Government under section 10 of the Industrial Disputes Act. The petitioner is admittedly a workman under the respondent management and his services have been terminated and it appears that the respondent approached the Government and raised an industrial dispute. The

Government has referred that dispute for determination as indicated above. In these circumstances, this Court has got the jurisdiction to entertain this petition. I decide this issue accordingly.

Issues Nos. 2 to 4.

In view of the statements of the parties recorded by me and the authorised representative of the petitioner, I hold and award that the order dated 25-11-1975 terminating the services of the petitioner is not proper and stand revoked and is set aside. The petitioner is entitled to be reinstated with all the service benefits including ! seniority, continuity of service etc., etc., except back wages. I further award that the respondent management will issue appointment letter before 16-3-1978 appointing the petitioner as a Bearer.

The parties have left the question of costs to the discretion of the court. I have heard the parties on this point. I think the respondent should pay Rs. 50 as costs of these proceedings to the petitioner. I order accordinly.

ANNOUNCED: 27-2-1978.
